Hi both. Good news - I've just spoken with Shane Drumgold. He thinks it's entirely appropriate in the circumstances, and at this stage, for you to give your consent to anyone that asks for them to name you in the context of your matter. Happy to discuss this if helpful, including any other questions you may have.

If you would like - I can also advise the court in writing (and cc' you) to confirm that you're happy for them to release your name in the context of any requests for the court docs.

Hope this provides the clarity you need - very happy to chat this afternoon if helpful.

Hope all is well.

Great news!

Yes, that's absolutely fine. I'm happy to go through the courts to demonstrate that we have done it by the books.

I hope you are doing okay in lockdown. We've both been thinking of you. Sending all our best.
