OFFICIAL

Dear Principal Registrar Nuttall,

I am writing to advise that Ms Brittany Higgins (cc'd) has asked me to communicate to you that generally, and specifically in the context of s74 of the *Evidence (Miscellaneous Provisions) Act 1991*, Ms Higgins consents to the court disclosing her name as the complainant in the sexual offence matter currently before the court, including to anyone making a media inquiry about the matter.

Please let me know if you'd like to discuss.

Regards,
