## OFFICIAL

Team

I am happy to be part of any team discussion on this if needed - just let me know.

It is my and CPO's preference that no police witnesses talk to any defence counsel prior to their giving of evidence.

I have communicated this to the Director and advised that any such approaches, will be directed back to his office.

Please ensure everyone is clear on this and as I said if you want me to talk to the team about this, I can. The perceptions that this creates is probably the most concerning factor here, given the history and sensitivity of this case. But really it stands true on any matter at court. It is never really appropriate for this to occur - in my opinion.

Regards

Jo
