Regarding this, Mr Whybrow should not be contacting you (ACT Police) directly regarding any of this. If he wants to discuss he needs to go through us. Please stop communicating with him.

We haven't informed him, and there is no need for you to either.

Good morning Mitchell,

As per the initial email yesterday, defence were also seeking clarification as to whether a particular person they've identified, Alex [Personal inf], was ever spoken to by anyone. I'm not sure this fits into the 1a) aspect of the response received.

Regardless, can your office please advise Mr Whybrow that Alex [Personal info] was not identified, nor spoken to by Police. Can you please confirm the advice has been provided.

Kind regards,
Em

Hi Em,

The DPPs position is that this is part of the application, ground 1a) which is being dealt with by Keegan Lee. Any request for redacted information [Legislative restriction] should be requested through him as part of the application.

It should not be going through you, the AFP.

Kind regards,
Mitchell

Hi Mitchell,

I've received a request from Mr Whybrow as follows, for your attention:

[Legislative restriction]

Please note that we won't be providing any information directly to Defence and will require DPP to confirm this information is required. If so, we'll provide to you to convey across to their office.

I responded to the initial query and advised I was passing the request on. Mr Whybrow has since responded and advised they've ID'd a number in particular as Alex [Redacted], and asked if they've been spoken to. Haven't yet responded.

Kind regards,
Em
