Dear Office of the Solicitor Assisting

**R v Lehrmann – ACT Board of Inquiry – voluntary production of documents – second tranche**

---

1. We refer to the subpoena served on 6 February 2023 and our previous correspondence relating to the manner in which the AFP intends to cooperate in providing the information sought, notwithstanding the Commonwealth's position that it is not subject to the compulsory powers set out in the *Inquiries Act 1991*.

**Voluntary production of requested documents**

2. We **enclose** documents comprising the second tranche of documents from the AFP, relating to the following categories:
  - Category 8 – in relation to this category the documents are provided with redactions to certain items over which the AFP asserts legal professional privilege. Limited redactions have also been applied to the contact details of AFP members;
  - Category 9 – in relation to this category the documents are provided with limited redactions to material that we are instructed is irrelevant and to personal names and contact details of persons who (given the nature of the documents sought) had no connection with the matters the subject of inquiry. We note the documents contain links to embedded videos. We are currently working with our digital technology teams to get those videos to you, and aim to do so in the next tranche.
3. We also **enclose**, for the convenience of the Inquiry, stamped versions of the two documents produced on 15 February 2023, which are marked:
  - a. in respect of the index to the brief of evidence relevant to category 1, AFP.0003.0001.0001; and
  - b. in respect of the letter relevant to category 5, AFP.0001.0001.0001.

4. Please do not hesitate to contact me if you have any questions about this matter.

Yours sincerely
