Jas,

I have updated the IP with the changes of Steely and Moller.

Now that we have the EICI, we will probably need to update it to include our new proposed investigative activity, but at least it is there in case Boorman asks to see a planning document tomorrow.

It is saved in Trent's folders as the Working IP Document

S:\ACT\rhq\CI-ACTP\CI Teams\SACAT\Investigations\Madders\02 - Active Investigations\PROMIS 6381473 - Operation Covina\4. Planning

Thanks
