Hi Adam,

I hope you are staying well. Following our conversation on August 17, I was hoping you might be able to engage directly with Emma FRIZZELL (the investigator) to provide some guidance on the below questions?

As always, I am happy to assist if required.

Kind regards,

Marissa

G'day everyone,

I'm not sure what documents would relate to them, as I have never seen any of the documentation relating to their involvement.

Do we know where the docs might be? I agree with Em that we have to acknowledge their existence but I don't think they are crucial to our brief.

Cheers,
Trent

Hi Marissa,

Thank you for following this up. I would say that we do need to disclose their existence, there is a part on the form that applies.

Trent - are you aware which docs are from [WIT_Personal_Info] and [WIT_Personal_Info]?

Ta,
Em
