Good Afternoon Tasha,

Counsel, Skye Jerome, would like to conduct a proofing with Ms Wilkinson some time next week. We can conduct this over Webex or Microsoft Teams, which ever is easier for her. The proofing is to discuss Ms Wilkinsons evidence and answer any questions she may have from us before the trial commences.

We understand that Ms Wilkinson is very busy. We expect that the proofing should not go any longer than 30 minutes and are happy to accommodate a time that will suit her. Is there a day and time next week that would suit her?

Hi Mitchell,

Lisa and I would be available next Wednesday 15 June at 4pm if that suited at all.

There is also an urgent matter I would like to discuss with either of you (I have left a message on Erin's voicemail) related to the initial meeting between (January 2021) referred to in Lisa's transcript of evidence.

If you could please give me a call on the mobile number below.

Kind regards,

Tasha

Good Afternoon Tasha,

Counsel, Skye Jerome, would like to conduct a proofing with Ms Wilkinson some time next week. We can conduct this over Webex or Microsoft Teams, which ever is easier for her. The proofing is to discuss Ms Wilkinsons evidence and answer any questions she may have from us before the trial commences.

We understand that Ms Wilkinson is very busy. We expect that the proofing should not go any longer than 30 minutes and are happy to accommodate a time that will suit her. Is there a day and time next week that would suit her?

Wednesday 15 June 2022 – Conference Notes

4:10pm

Lisa Wilkinson

Shane Drumgold/Skye Jerome/Mitchell Greig/ Tasha Smithies

- Had a phone conversation with Brittany, imagine this occurred on or about the 22 January (best of recollection).
- Initial meeting between Brittany and Lisa occurred at Star Casino Sydney 9.20am 27 January 2021 – where she provided a timeline of events.
 - o First time meeting Brittany
- Pre Interview with Brittany established what the story was and how credible she was – interrogated her between 5 and 6 hours. Result of the pre interview, decided it was credible and decided to go ahead with the formal interview
- Lisa only met her once before the Project interview
- Pre Project Interview occurred at the Star hotel at darling harbour
- About 10am in the morning
- Britney, David Sharaz, [REDACTED] and Lisa Wilkinson all in attendance
- Subsequently has been informed that it was been recorded by [REDACTED]
- A couple of email exchanges between Sharaz, “a young women he knew had been subject to a sexual assault, think it was in parliament house, everything in the story is devastating, if interested Lisa would be the best person to provide to the public”. -- Lisa was not informed it was Sharaz’s girlfriend (Britney) at this time.
- David Sharaz phoned and spoke to Lisa, as Brittany was concerned about talking with Lisa
- Never met her before the Star casino, had spoken to her on the phone following emails with David Sharaz.
- Don’t call a version of events of what occurred in [REDACTED], David had informed Lisa that she was extremely fragile.
- **Star Casino Pre- Project Interview –**
 - o Brittany was a junior staffer in Ciobios office, he lost his role as a minister, his department got picked up by Reynolds.
 - o Brittany was finding her way in the power structure of the office
 - o Went out to drinks, originally thought it was a Saturday night
 - o Had originally thought Bruce Lehrmann was quite intimidating, she was trying to work out the power structure of the office
 - o Bruce was buying Brittany drinks, he didn’t appear to be drinking
 - o Brittany found herself quite drunk, quite quickly
 - o Went out with 3 other people after initial drinks, Bruce Lehrmann said he’d organise the taxi to go home.
 - o Brittany got in the taxi with Bruce, for some reason Bruce said he had to go to parliament house. He said he had to pick something up from the office.
 - o Arrived in Minister Reynolds office, security guards had to let them in. Issue over passes.

Exhibit 52

- Brittany could feel she was drunk, sat down on the window sill and then sat on the couch, Bruce was doing something in the office. Next thing she remembers she woke up in incredible pain being raped by Bruce Lehrmann, Brittany told him a number of times to stop, which he didn't. He then suddenly stopped and left the room.
- She said that she couldn't remember why she felt so drunk cause she didn't have too much to drink
- Lisa had to have a massive discussion with the executive producer of the Project as to why it would be a story. Brittany must have told me about what occurred in room M123 over the phone to have been able to go ahead with the Pre - Project Interview.
- Both interviews occurred at the Star Casino.
- Emails between David Sharaz and Lisa went from 18-21 January 2021.
- Project Interview occurred at 2pm, 2 February 2021 at the Star Casino
- Britney never got paid for the interview.

At conclusion Lisa was asked if she had any questions:

- I am nominated for a Gold Logie for the Brittany Higgins interview
- I don't think I will get it, because it is managed by a rival network
- I have however prepared a speech in case
- Lisa read the first line and stopped by the Director who said
 - We are not speech editors
 - We have no power to approve or prohibit any public comment, that is the role of the court
 - Can advise however that defence can re-institute a stay application in the event of publicity

Samantha called to ask about the subpoena and why the Crown subpoenaed her as she had already been called as a Defence witness.

I explained that due to the material received, it has been observed that she is a Complaint witness, someone that Brittany spoke to about the matter.

Ms Maiden informed me that she was meant to be reporting on the matter and asked whether she would be able to be present whilst evidence was given. I informed her that she would not be able to be listen to the trial until she had given her evidence.

Ms Maiden had to leave, but wanted to have a further conversation.
