	Mr Whybrow asked if I would be around Court on Monday. I advised I was on shift but not necessarily at Court but could be if required.	
	Mr Whybrow advised/apologised, i.e. "sorry I didn't realise," that I was working for 2 (matters). <small>Legislative restriction</small> [REDACTED]	
	Mr Whybrow clarified [REDACTED] - I advised I had just updated Mitchell as to their status - that may want to clarify what/ if any enquiries conducted. Attached to the original copy of the report - D/A/Sgt Brimby contacted.	I advised more than happy to conduct enquiries however he would have to put the request via DPP. Mr Drumgold acknowledged and said he would.	
	Advised [Redacted] identified as a security guard and the other, the bumble bee. They'd made contact.	
	Lastly - made comment about DPP comment in court previous day - said it was fucked.	
	Prior to court/evidence - Again to D/A/Sgt Gilliland, approached by Rachel Fiske who queried if I was aware of the DPP commentary in court yesterday? (Assumption made re: lack of police interview skills) Comment made - can't recall what followed by, using it in closing arg.	
	Notified Mitchell @ DPP in person immediately as saw he, Skye + Drumgold departing SC2. Appear to see him	
	D/A/Sgt Gilliland reported chain of command. I made notes and followed up notification to DPP in writing.
