Good afternoon James,

Thank you for touching base. I am currently re-drafting the disclosure statement and hope to provide a copy of this to you over the weekend for review and advice if required. I envisage that there will be a number of queries in relation to some specific internal briefing documents noting that Adam has previously provided generalised advice (attached).

Of note, I intend to submit the disclosure statement to DPP on 28 February 2022.

Kind regards,  
 Em
